

BOARD MEETING HIGHLIGHTS

REGULAR BOARD MEETING: JANUARY 11, 2022

Palliser School Division Transportation

Palliser operates 58 daily routes to our division's schools, transporting 1850 students per day and traveling over 1.9 million kilometers per year. The department's bus drivers are a major reason for the continued excellent service we are able to provide our students within the division. All regular route drivers have completed "S" endorsement training and must keep their first aid training up to date. All of the buses used for routes and as spares have GPS and tablets with software that tracks not only the bus but also handles the electronic log books, daily inspection and fuel tracking. We would like to thank all our bus drivers for making sure our students get to and from school safely on a daily basis.

Palliser Board of Trustees and the ATA Local 19

Twice a year the Board and the executive of the ATA Local 19 meet to discuss matters of mutual interest. The committee met before the break and discussed the terms of reference for the committee, PD days, their positions on the new K-6 curriculum and funding for programs for our youngest learners. Working together will make our division stronger and a great place for our students and our staff.

Policy Update

Policies govern the way that the Division operates. The Board is committed to reviewing all the policies on an annual basis. This month the Board is looking at Policy 9 - Board Operations and welcomes any feedback from its stakeholders. <https://www.pallisersd.ab.ca/board-of-trustees/policy-review>
