

Board Meeting Highlights:

REGULAR MEETING OF THE BOARD: September 12, 2023

CSBA Annual Summer Conference

Palliser School Division Trustees Lorelei Bexte, Tony Montana and Louise Schmidt attended a Gathering on Indigenous Education in Banff. The theme was “Leading the Path Forward”. Our three Trustees attended sessions on engaging communities when making tough decisions, using innovative governing practices, and community connection through meaningful partnerships. The event was a wonderful learning opportunity and the Board looks forward to sharing this learning with the Division as the year progresses.

Appointment of Deputy Superintendent, Tom Hamer

The Board of Trustees are pleased to announce that Tom Hamer, Associate Superintendent of Learning Services, will be the Deputy Superintendent. The Deputy Superintendent will assume the Superintendent’s roles and responsibilities when the Superintendent is unavailable or as assigned by the Superintendent.

Budget Update

Cindy Rogers, Director of Finance provided an interim financial report as of August 31, 2023, for the 2022-2023 school year. There is a projected surplus of \$1.6 million. The board had approved a \$753,000 deficit budget. Increased government funding of \$2.0 million, which includes an anticipated clawback reduction of \$973,000 has contributed to the surplus. Year end financial entries are anticipated to not greatly affect the projected surplus for this year.

The next regular Board Meeting will be on October 10th, 2023
